1. NOTICE

- 1.1 Please keep these instructions for future reference.
- 1.2 Ensure that at least two people are always available for transporting and assembling the product to prevent injuries or damage.
- 1.3 Make sure the assembly area provides sufficient space to move freely and work safely.
- 1.4 Use a soft protective surface (e.g., cardboard, blankets, or a rug) to avoid scratches or surface damage during assembly.
- 1.5 Align all components correctly and insert screws or bolts into their designated pre-drilled holes.
- 1.6 When assembling for the first time, tighten screws loosely initially. Fully tighten them only after the item is completely assembled.
- 1.7 Do not exceed the product's weight limitations.
- 1.8 Do not stand on this item or use it as a step ladder. Secure all bolts, screws, and knobs before initial use.
- 1.9 Check all bolts, screws, and knobs every 90 days and tighten them if necessary.
- 1.10 Do not use this product if parts are missing, broken, damaged, or worn. Replace missing or defective parts before use.
- 1.11 Use this item only as instructed by the manufacturer. Improper use may void the product warranty.
- 1.12 Ensure the furniture is placed on a level, stable surface with all feet evenly touching the ground.

3. PRODUCT WARRANTY AND RETURN POLICY

- 3.1 Products may be returned in accordance with applicable legal regulations. A refund will be issued provided the item is returned in its undamaged original packaging and includes all accessories from the original delivery.
- 3.2 Return shipping costs are generally borne by the customer. However, if an incorrect or defective item was delivered, a prepaid return label will be provided via email. Refunds or replacements are typically processed within five business days after receipt and inspection of the returned item.
- 3.3 Photographic evidence may be required to verify the condition of the item prior to shipment. A return is only deemed valid once the item has been received and inspected. The product must be returned complete, undamaged, free of signs of use, and in its original packaging.
- 3.4 **Packaging Disposal**
The shipping packaging is designed to protect the product from transport damage and is made of recyclable materials. Returning the packaging to the recycling system conserves resources and reduces waste. Disposal can be arranged through specialized retailers or municipal recycling facilities.
- 3.5 **Disclaimer of Liability**
The manufacturer and distributor expressly disclaim all liability for personal injury, property damage, or financial losses resulting directly or indirectly from improper assembly, misuse, inadequate maintenance, or neglect of the product.
