4

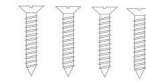

Connect the wires and use the flower branch pendant to secure the lamp head to the ceiling.

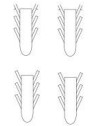

Parts List

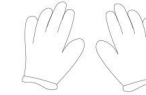

wire connector

screw

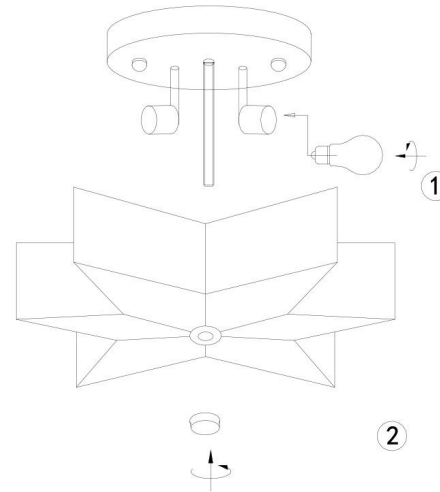

Plastic wall plug

glove

5

1. Screw in bulb

2. Install the lampshade and secure the end with a decorative nut.

3. switch on the power supply and confirm that the lamp is functioning correctly.

Key point: The rattling noise from the glass is not an assembly, craftsmanship, or quality issue, but is due to the intentional space left to accommodate thermal expansion contraction.
